QMS-01 QUALITY POLICY

Revision History			
Date	Version	Description	Modified By
6/6/19	1.0	Baseline	Jessica Blake
7/12/19	2.0	Added additional sections	Jessica Blake

1. Purpose

This policy establishes the basis for the definition, implementation, and on-going surveillance of the Quality Management System (QMS) with Solutions Through Innovative Technologies, Inc (STI-TEC). This policy, as well as related quality system documentation, are written to comply with the requirements of the ISO 9001:2015 standard.

2. Scope

This policy applies to STI-TEC's QMS processes, which support the organization's strategic business objectives.

3. Responsible Party

The executive management team is responsible for implementing this policy. Specific responsibility for tasks may be delegated to project staff.

4. Policy Statement

The stated Quality Policy is as follows:

- STI-TEC provides customized solutions of exceptional service and support.
- STI-TEC is committed to complete customer satisfaction and meeting customer requirements.
- STI-TEC will strive for quality by continually improving services and internal processes.
- STI-TEC is dedicated to leveraging emerging technologies to provide the highest level of quality products and services, customer service, and security.
